Shooting tournament IPA:

Shooting: pistol/revolver – distance 25 m, free style

Shooting with the “official” military/police/defensive arms, calibre 9 mm, and their modifications.

The modifications which will be allowed are those modifications which the arms applicable in “combat” shooting, such as: adaptable targeting sights, fibre targeting sights, extended lever, rubber hand grips, checked and rugged tapes, internal weights, internal compensator, etc.

The modifications which will not be allowed are those modifications which are not applicable for “combat” shooting: anatomic hand grips (full or partial), extended barrels more than 1 cm out of the slide/original barrels, extended targeting sights carrier, etc.

Specialized shooting pistols calibre 32, 38 (HAMERLI 240, 280, SP20, WALTHER GSP, S&W 52 38WC, etc.) will not be allowed.

Trigger drawing force 1350 grams.

Points will be awarded in two disciplines:

1. Precise shooting in UIT target R50 – distance 10 m
 - a. Test shooting – 3 rounds in 3 minutes
 - b. Competitive shooting in two series of 5 rounds; each series 5 minutes

2. Shooting in UIT target R50 for fast shooting or **police/FBI target of negative**
 - a. Start position with loaded arms and lowered in stand-by position of 45 degrees with the horizontal line; shooter lifts the arm and fires after the “opening” of the target, which is “open” in 10 seconds intervals;
 - b. Test shooting – 5 rounds in 10 seconds;
 - c. Competitive shooting in two series of 5 rounds in 10 seconds

Individual and team competitions.

In team competitions the results of the 3 team's best shooters will be evaluated..

Team consists of minimum 3 and maximum 4 shooters.

In case of the same result the winners is team with better results in the last series.

In case of the same overall result and the same last series' result the winners will be decided by the shoot-up of the last series.

Orders and the shooting rules are in accordance with the shooting rules of the Croatian Shooting Association.

All complaints placed after the removal of the targets from their stands will be reviewed after depositing of the complaint fee amounting – 15 EUR or 100,00 Croatian Kunas (HRK).

Time framework:

Precise shooting part: simultaneous shooting for 6 shooters

Recommended shooting time between 0930 - 1230 AM
